Print Prices

Prints are sold in unlimited volume at competitive prices, with orders fulfilled worldwide by high-quality photographic printing services. Prices vary according to geography and any purchase choices made by the buyer, such as print size and framing. Full details will be given in the shopping “cart” prior to confirmation of purchase.

Fine Art Limited Edition Price List

Fine Art, Limited Edition, images are prepared individually under the supervision of the photographer and are priced according to the following schedule. Only 15 images will ever be produced, signed and numbered by the photographer, and each will be accompanied by an individual certificate of authenticity indicating: photographer, image title, print number, date and location of printing and buyer.

Subject to exceptions, to be agreed in advance with the buyer, Limited Editions will be sized at 1 metre, long side and printed by Picto Paris using Ultrachrome [Viverra] pigment on Hahnemuehle Fine Art 100% cotton paper, both guaranteed 100 years under normal conditions. Prices will not reduce but may be increased. Each delivery will include a commercial invoice.

Provided at extra cost: Printing on a rigid backing, packaging in a solid tube, shipment with a tracking number to addresses where traceable shipping is available and insurance, if needed. Import taxes, customs clearance and any ancillary costs in the destination country are the purchaser's responsibility.
